Introduction

This document constitutes an integral part of the Telenet Reference Offer for Basic TV and Telenet Reference Offer Broadband Services and should be fully complied with by the entity/Beneficiary at all times.

At any time this document is susceptible to change by Telenet, Regulator's decision or by decision of a relevant judicial authority. Changes to this document will, depending on the circumstances for change, be appropriately notified to the Beneficiary and published on the Telenet website.

Telenet has appealed the CRC Decisions of the VRM, BIPT and CSA of 1 July 2011 concerning the market analysis of the broadcasting market in Belgium and it consequently reserves all its rights in relation to this document.

The moment at which the relevant Service will become available will depend on the implementation timings necessary for Telenet to make the relevant Service operational.

In accordance with the CRC Decisions Belgacom is automatically excluded to use and resell other elements of the relevant Reference Offer which relates to the resell of the analogue broadcasting signals of the TV Service.

An entity may decide to submit a Letter of Intent to Telenet in which it obliges itself to immediately pay to Telenet the fixed sum of:

200.000 euro for the resale of analogue radio and television signals,

or

500.000 euro for the resale of analogue radio and television signals in combination with access to the digital television platform,

or

600.000 euros for the three regulated services combined (resale of analogue radio and television signals in combination with access to the digital television platform and resale of broadband services)

Valid Request

Telenet will only accept to consider entity's request conform the Telenet Reference Offer Basic TV, the Annex Interactive Services and/or the Reference Offer Broadband Services, and start negotiations in order to conclude a Contract and/or Agreement if the following conditions are met by the entity concerned:
