

Telenet authorization

I, the undersigned,

..... (authorizing party's last name + first name)
..... (authorizing party's telephone number)
___ / ___ / _____ (authorizing party's date of birth)

in my capacity as representative* of:

..... (name of authorizing party's registered office)
..... (street name + number of authorizing party's registered office)
..... (postal code + municipality of authorizing party's registered office)
..... (authorizing party's customer number)
..... (authorizing party's VAT number)

hereby authorize:

..... (authorized party's last name + first name)
..... (authorized party's street name + number)
..... (authorized party's postal code + place)
___ / ___ / _____ (authorized party's date of birth – *person must be of age*)

to do the following within a period of seven (7) days from the date this authorization was signed:

- Telenet devices to purchase, collect, return or exchange:
Please indicate which device (digibox, modem, powerline adapter etc.):
- Enter into a new contract with Telenet
- Change a current contract with Telenet
- Cancel a current contract with Telenet

Indicate which monthly plan(s)/service(s) it concerns:

- Internet and options
- Telenet TV with Telenet TV box
- Entertainment
Authorization for entertainment is only possible if the customer already has internet or mobile from Telenet.
- Mobile
Authorization for mobile is only possible if the customer already has internet and digital TV from Telenet, and is limited to a maximum of one existing or additional mobile number.
- Landline telephony
- Smart Home
E.g. smart doorbell, smart locks, parcel box etc.

Please note: Providing authorization for financing the purchase of a device or for exchanging a SIM card is not permitted.

* The authorizing party is the legal representative (e.g. the director listed in the Central Enterprise Databank (KBO)) or a person who is mandated to represent the customer on the basis of a special delegation of powers.

I understand that I am responsible for the consequences of the actions of the authorized party, such as any change to the price of a monthly plan.

Authorizing party's signature

The authorized party must bring the following three (4) documents to a Telenet shop when completing the authorized transaction:

- this form
- their own identity card
- the authorizing party's identity card
- (a copy of) the special delegation of powers (e.g. extract from the Belgian Official Gazette) if the authorizing party is not the customer's legal representative.

* The authorizing party is the legal representative (e.g. the director listed in the Central Enterprise Databank (KBO)) or a person who is mandated to represent the customer on the basis of a special delegation of powers.
