

Telenet authorization

I, the undersigned,

..... (authorizing party's last name + first name)
..... (authorizing party's street name + number)
..... (authorizing party's postal code + place)
..... (authorizing party's telephone number)
____ / ____ / _____ (date of birth)
..... (customer number)

hereby authorize

..... (authorized party's last name + first name)
..... (authorized party's street name + number)
..... (authorized party's postal code + place)
____ / ____ / _____ (date of birth – *person must be of age*)

to do the following within a period of seven (7) days from the date this authorization was signed:

- Telenet devices to purchase, collect, return or exchange:
Please indicate which device (digibox, modem, powerline adapter etc.):
- Enter into a new contract with Telenet
- Change a current contract with Telenet
- Cancel a current contract with Telenet

Indicate which monthly plan(s)/service(s) it concerns:

- ONE/ONEup plan
Authorization to enter into or change a ONE/ONEup contract can be given for up to one existing or additional mobile number.
- Telenet TV
- Mobile
Authorization for mobile is only possible if the customer already has internet and digital TV from Telenet, and is limited to a maximum of one existing or additional mobile number.
- Landline telephony
- Internet and options
- Smart Home
E.g. smart doorbell, smart locks, parcel box etc.

Please note: Providing authorization for financing the purchase of a device or for exchanging a SIM card is not permitted.
I understand that I am responsible for the consequences of the actions of the authorized party, such as any change to the price of my monthly plan.

Prepared in duplicate/triplicate (strike through that which does not apply) on

.....

Authorizing party's signature

The authorized party must bring the following three documents to a Telenet shop when completing the authorized transaction:

- this form
- their own identity card
- the authorizing party's identity card
